

Lost Label Report

IPIA/Manufacturer/Losing Party

U.S. Department of Housing and Urban Development
Office of Manufactured Housing Program

OMB Approval No. 2502-0233
expires 10/31/2006

(Must be completed within 5 days of discovery or loss)

The Manufactured Housing Procedural and Enforcement Regulations, 24 CFR Part 3282, require manufacturers to report certification label usage on a monthly basis. The information collected here will be used in conjunction with reporting home distribution, collecting fees, and reimbursing parties as appropriate under these Regulations. Public reporting burden for this collection of information is estimated to average 0.5 hours per response including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Response to this information collection is mandatory. This agency may not collect this information, and you are not required to complete this form, unless the form displays a currently valid OMB control number.
